## Winter LGPE Prep Camp 2022

**Saturday, January 22**

Dear Harrison Orchestra Families,

The Harrison Orchestra Camp is an integral part of the Harrison Orchestra experience. Your son/daughter will receive approximately 6 hours of ensemble and sectional instruction with the HHSO Camp Staff. The Winter LGPE Prep Camp is essential to the progress of our orchestra program as we prepare to perform for the annual Large Group Performance Evaluations to advance to a higher level of string performance and to develop skills as a member of an ensemble.

As we are able to bring in high quality instructors for your children, orchestra camp does come at a cost not covered by the Cobb County School District. In order to provide the quality instruction for all of our students, orchestra camp is covered under the Enrichment Fees that were paid to the Harrison Orchestra Boosters. This camp will include professional clinicians from Georgia State University, the Metropolitan Youth Symphony Orchestra, and professional musicians and educators from around the metro Atlanta area.

Please note that student drivers are NOT to leave campus during the lunch break in order to ensure the safety of all of our students in the orchestra program.

**Students should plan on bringing their own sack lunch for camp.**

The instructional portion of camp will end at 4pm and we will have an orchestra movie night in the orchestra room afterwards until 5:30pm. Parents should plan on picking up their student from Harrison HS by 5:30pm.

We are looking forward to a wonderful camp experience and tremendous growth for all of our orchestra students in the Harrison Orchestras!

Musically Yours,

*Koji Mori*  
*Director of Orchestras*  
*Harrison High School*

# Winter LGPE Prep Camp Schedule

## Saturday January 22, 2022

***Cello Students: Please bring your personal cellos and rock stops to camp as we do not have enough school instruments for everyone.***
